ANNUAL MEETING OF 6TH DISTRICT FF

GARDEN CLUB NOV. 13

The seventh annual meeting of the Sixth District Florida Federation of Garden Clubs will be held November 13 at the Orange Fruit and Spice Park, five miles west of U. S. 1 at Princeton.

GUESTS OF COLEEN RILEY ENJOY HAYRIDE

An old fashioned hay ride to a secluded spot along Lake Okeechobee was the start of a Saturday evening for twelve young members of the Coleen Riley on Thursday, Oct. 26.

In the eerie shadows of the tall pines, they foraged foods from the wild spread on the hay and roasted wiener and marshmallows.

Games and contests around the campfire were climaxed by amusing stunts and forfeits from all, as well as refreshments.

Accompanied by Mr. and Mrs. R. F. Riley, the group enjoyed a very noisy ride through city streets before they climbed back to the top of the hill for the hay ride.

Going along for the ride were Wanda Mathews, Arlyce Bedo, Dennis Johnson, Linda Bett, Bettye Nance, Bridgette Gall Allen, Gale Singletary, Gordon Corbin, Thony Fink, Billy Carlson, Tommy Allen, Fred Robins and Coleen Riley.

MR. DORIS SASSER TALKS AT BPWC MEET

Mr. Doris Sasser, of Pahokee, BPWC district delegate to state board, was guest speaker at the recent meeting of the Broward Women's Club and Professional Women's Club at the home of Mrs. Imogene Fontaine Tuesday evening.

Mrs. Sasser gave an interesting talk on "Programs for Civic Groups" in which she suggested programs for December and January. Mrs. Gene Cross, membership chairman of the club, presided.

Mrs. Neptaine presided over the business meeting. Reports were given by Mrs. Walter Thorne, secretary, in absence of Mrs. Ann Quinn, correspondent.

The Hallowe'en motif was carried out in the decorations. The chocolate frosted birthday cake was a hit.

It is expected that the present date of picking will continue until around December 10th, to 15th.

There may be a few cabbage potatos and celery ready for harvesting now, but not much, but not to any great extent.

Some radishes have been sent from the open this year, and a steady harvest is expected during the next week.

Caron said that this year 22,000,000 families will be reached in the Chrysler announcement program through the use of Sunday supplement carrying four-color pages in the Sunday American Weekly and independent supplements.

"Added to this tremendous campaign will be a compact production by the biggest national magazine announcement and follow-up advertising campaign we have ever used," Caron said.

"To keep this campaign moving at a sharp competitive pace, Chrysler will begin a nation-wide outdoor poster showing early in the spring."

MARINE CORPS WANTS MORE WOMEN OFFICERS

Because of the increasing need for women officers, the Marine Corps is inaugurating a winter training program for women officer candidates.

Major Robert L. Autry, who is in charge of interviewing women candidates for the training program in this area, said the class will be held at the Marine Women Officers Training Class.

It consists of two weeks of special training designed to prepare the individual candidate for the responsible work she should be able to do in the Corps.

Graduates of the Women Officers Training Class receive commissions as Second Lieutenants and S. Marine Corps Recruiters.

The training program will be in addition to the established summer training program for women officer candidates.

Qualified young women, who are recent college graduates, are eligible to enroll in the winter

program.

All About BABY

How to keep baby snugly covered? That's a question which has vexed all mothers — because unbroken babies get cold.

To answer this question, the makers of Stermcraft infants wear have perfected a crib blanket — a soft, plaid-like covering — tied at the bottom and tied with tapes at the top. The top is lined with plush. Stermcraft babies are both anchored snugly and warmly, and it is impossible for the blanket to slip off. Yet it does not hamper the freedom of a healthy growing infant. Fully washable, the Stermcraft infant blanket is available in baby pastel shades. Dot Snappers — waterproof, rustproof, and quick-drying — are also welcome to keep baby as well as well.

**PRESIDENT DUDA GIVES
YEAR'S PROGRAM OF FFVA**

Directors of the Florida Fruit and Vegetable Association in a meeting in Orlando adopted an action program for the Association pledging to continue and expand service to Florida agriculture.

Andrew Duda, Jr., Oviedo, president of the Association, outlined the program as follows:

"In the field of Marketing and Transportation — The Association will support research and educational programs that will aid the shipper and grower in improving cleaning, grading and packaging methods, at a lowered cost."

"Provide prompt and accurate information that will enable the packing house operator to legal methods of adjusting supply to demand in periods of surplus; and in carrying out programs proposed by commodity groups."

"Obtain or provide upon request such special market information as may be necessary for a certain commodity or a group of commodities."

"Keep growers and shippers informed on all regulations affecting marketing of their products."

"Provide for modification in container specifications or package sizes which are detrimental to grower and shipper interests and at the same time undertake to assist in bringing about improvements in packaging and container standards."

"Continue to seek (a) better transportation facilities including more and better refrigerated cars and trucks; (b) more and better insurance coverage for these losses; (c) rates and services that will be favorable to our producers and shippers; (d) continued cooperation of all agencies in the field of transportation in solving our many and varied mutual problems in this field."

"Continue to oppose (a) foreign labor laws and service incidental thereto; aid in developing adequate work incentives; and to aid in proper compliance with existing regulations."

"Provide growers with an increasing amount of accurate advice and information as to the best method of supplementing foreign labor and to service incidental thereto; aid in developing adequate work incentives; and to aid in proper compliance with existing regulations."

"Provide for, and methods of, harvesting their crops in a manner that will retain the 'garden-fresh' quality of their products."

"In the field of Production and Research — The Association will continue support of government agricultural agencies to assure that sufficient appropriations and finances are received by all departments engaged in research or service to farmers;"

"Direct FFVA personnel to act in every way possible as liaison between the requirements and the problems of farmers and the established agency capable of rendering the action needed;"

"Report research results, new agricultural developments, and information concerning what the produce industry to farmers;"

Celebrate With Cranberry Pie

By JANE ASHLEY

The National Cranberry Association is celebrating its annual Cranberry Festival this month with a big Festival in Massachusetts. So, if you have your own celebration, here's serving room recipe for this delicious pie.

Old-Fashioned Cranberry Pie

2 1/2 pounds cans whole cranberry sauce
1/2 cup raisins
2 tablespoons sugar
1/2 tablespoon corn starch
1/4 teaspoon salt
1/2 teaspoon grated lemon rind
1 recipe "Easy-Mix" Flaky Pastry

Combine filling ingredients in a bowl; mix well. Line a 9-inch pie plate with pastry. Add cranberry mixture. Roll out remaining pastry for top crust. Make slits in top crust to allow steam to escape of stems. Place crust over cranberry mixture; seal and edge with lattice pattern. Bake in oven (400°) 35 to 30 minutes.

They grew farm crops, in 1952, valued at \$354,439,960. They sold beef cattle, in 1952, worth \$15,000,000.

They produced pulpwood, in 1952, worth at the mills \$21,766,250.

The grew greenhouse goods, in 1952, worth \$20,000,000; estimated \$23,000,000.

The manufactured, in 1952, \$51,000,000; not only provided care for patients but made possible the widespread injections of gamma globulin during the epidemic of the polio. Summarized by M. Nease.

The Polio case, fortunately, have decreased this year from the all-time high of 1952. It was 1952, however, that 66,000 polio patients of this former year had been receiving financial aid from chapters of the National Foundation for Infantile Paralysis.

Those attending the conference will begin at once to build their organizations and get ready for the raising of funds during the month of January.

The 200 delegates attending the conference represented the states of Florida, Louisiana and Southern Mississippi. Sessions were held at the Monteleone Hotel.

Other speakers on the program included Dr. Nease, Dr. Gibson, Dr. Assistant Director, James T. McDaniel, Dr. Edward H. Driskill, Assistant to the Director; Mrs. Beatrice Wright of N.Y., Director of Women's Activities; Tom Wrigley of Washington, D.C., Public Relations Director; and Dr. H.A. Press of San Francisco, regional medical consultant.

DEFENSE TO ATTACK IS NEW PROGRAM OF MARCH OF DIMES

The American people will be asked to contribute \$76,000,000 to the 1954 March of Dimes next year, it was disclosed today by Joe Parish, Jr., Campaign Director.

This sum, Mr. Parish said, represents almost half again as much as was raised in last winter's record-breaking appeal, and will go toward financing a drive "from defense to attack" in the fight against polio.

"For 18 years," Mr. Parish added, "the National Foundation for Infantile Paralysis has fought polio through its programs of patient care, research and professional education. In a sense these were defensive, but now we have decided an aggressive fourth program."

These encouraging developments were revealed during a two-day regional pre-campaign meeting of March of Dimes leaders in New Orleans, Louisiana, October 19th and 20th, in which Mr. Parish participated.

"After years of exhaustive research," Mr. Parish said, "we have gamma globulin, a temporary deterrent to paralytic polio. It was put to use this past summer in man's first attempt to control the course of a polio epidemic. But GG is only

National Wine Week is marked Oct. 26-Oct. 30. So we offer you this main dish for special occasion.

Chicken in Wine Sauce

2 1/2 pounds chicken, cut in 8 pieces
1/2 cup dry white wine
1/2 cup catsup
1/2 cup soy sauce
1/2 cup brown sugar
1/2 cup flour
1/2 cup butter

Combine filling ingredients in a bowl; mix well. Line a 9-inch pie plate with pastry. Add filling and shake until well mixed. Place in oven (moderate heat) until well browned. With onions, pepper and thyme. Add chicken and red wine. Cover with foil and cook about 30 minutes or until chicken is tender. Remove from oven and let stand longer (until well thickened). Makes 8 servings.

beans and a variety of vegetables. The mountainous lands must be worked with the mule or oxen, but low-lands are adaptable to modern machinery, he said.

A very interesting movie covering the whole of Peru was shown to us, as well as experiments being made by himself and Dr. Wolfe at the Station.

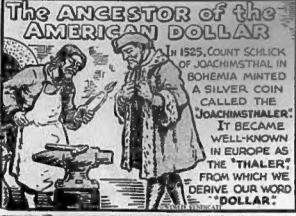

Emil Wolf was in charge of the program.

The Doctor told the Lions that though Peru is crossed by the equator its average temperature ranges from 45 to 85, never exceeding 90°. The population of something over a million is approximately 40% Indian and crosses of Indian and white. "There are," said the Doctor, "approximately 3,000 North American farmers in Peru."

"Our school system provides for compulsory attendance, and strict regulations in the United States."
